**The cost for the 6 week class is \$160.00, and payment is required to reserve your space, or no later than the first day of the class. We accept Cash, Checks, Mastercard and Visa.**

We limit enrollment to 8 dog/owner teams. We reserve the right to cancel/reschedule classes that do not enroll more than 3 dog/owner teams.

The first night of Basic Puppy Manners and Basic Adult manners classes, please leave your dog at home. The first 10-15 minutes of the puppy class will be puppy play-time to aid with socialization.

Of course, attending all of the sessions for each 6 week class is very important. We are unable to provide partial refunds for missed classes and will work with you to try to make up a class within 6 months if an emergency prevents you from attending one of the sessions. We will provide refunds if you cancel 48 hours prior to the first night of class.
